This unique list is systematically calculated by analyzing actual client requests made through the DJ Intelligence music request system over the course of the past 12 months. Nearly two hundred thousand requests are made each month. These requests are compiled and tallied in real time to create this dynamic list. Because of the quantity of requests, we believe it is precisely accurate. This is a generalized list for all events ranging from weddings to parties. It changes regularly as requests are analyzed in real time, so please stop back and re-print often.

To include your clients' requests in the real time Top 200 tally, please add the DJ Intelligence music request system to your website by visiting www.djintelligence.com.
